## ABOUT HILLSBOROUGH COUNTY

According to the most current American Community Survey, the total population in Hillsborough County, Florida is 1,513,301, of which almost 6% are children under five (5) years of age, and 21.5% are children under eighteen (18). In addition, 53% of the population is white (not Hispanic or Latino), 31% is Hispanic, and 16% is Black or African American.

## ABOUT THE CHILDREN'S BOARD

### BACKGROUND

In 1988, Hillsborough County residents agreed that improving supports and services to our county's children and families was a major priority for our community's future. Thus, the Children's Board was established in 1989 as a Special Taxing District allowing a levy not to exceed 50 cents per \$1,000 of the assessed property tax. The Children's Board is committed to funding opportunities through strategic grant development principles, leveraging strategies and research with community perspectives in mind to promote wellness, learning, professional development, and enhance service delivery systems.

Strategic investments in the community include:

- developing local prevention and early intervention services;
- convening community partners to support outcomes that improve the lives of children and their families; and
- providing venues for community engagement and advocacy.

### VISION

Hillsborough County will be recognized as one of the top places in the nation to raise children.

### MISSION

The Children's Board invests in partnerships and quality programs to support the success of all children and families in Hillsborough County.

**CORE VALUES:** Integrity - Excellence - Team Work - Respect

**FUNDING PLATFORMS:** The Children's Board of Hillsborough County has established four primary funding platforms to support its strategic focus areas:

- Level (1) - Investment Grants (more than \$800,000);
- Level (2) - Uniting Grants (between \$150,000 and \$799,999);
- Level (3) - Leading Grants (up to \$149,999); and
- Level (4) - Technical Assistance Grants (up to \$10,000).

## LEVEL (4) – TECHNICAL ASSISTANCE GRANT

The Children’s Board is a local leader in supporting capacity building efforts of non-profit organizations. The Technical Assistance (TA) Grants help agencies to improve the quality and accessibility of their services and supports to children and families. Since 2022, the Children’s Board awarded TA Capacity Building Grants to (30) local non-profit agencies.

### FOCUS AREAS

*Children are Healthy and Safe:* Early preventative health and education prepares a family to develop nurturing and healthy habits which are enhanced by coordination with community partners including healthcare systems and primary care providers.

*Children are Developmentally on Track:* Early identification of developmental needs for children birth to age five is essential for optimizing a child’s potential and serves as an opportunity for caregivers to learn more about their child’s current developmental functioning.

*Children are Ready to Learn and Succeed:* School readiness services for young children ages birth to five should be designed in a way that foster a nurturing, safe and healthy environments for children and respects a family’s cultural values. In addition, quality early learning must also promote early caregiver involvement and professional development for early care educators. Later school success works best in collaboration with teachers, administrators, and parents to provide support consistent with developmental and grade level benchmarks.

*Family Support:* Support for the whole family is essential for strengthening stability and overall well-being. Family support plays an important role in a young child’s brain development because early experiences developed through positive relationships establish the foundation for secure attachments and future physical, cognitive, and social-emotional health.

**1. RELEVANT GOVERNING BOARD POLICIES**

**1.1 FUNDING ELIGIBILITY**

Proposers eligible for funding include not-for-profit corporations and governmental organizations legally operating in the state of Florida.

By statute Section 125.901, Florida Statutes, as it existed prior to October 1, 1990, the CBHC Board will not provide funding to programs or agencies that are under the exclusive jurisdiction of the School District of Hillsborough County. However, the Board may fund services through other organizations which are coordinated with and complement the services provided by the School District of Hillsborough County, and such services may be provided on sites owned or administered by the School District of Hillsborough County.

Funding may be provided for programs through faith-based or religious organizations if the program serves a secular purpose and if the principal or primary effect of the program is one that neither advances nor inhibits religion. Additionally, the program must not require worship or religious instruction activities as a condition of participation. All agencies funded by the Children's Board will be required to meet the same high level of professional standards and quality assurance measures.

**1.2 SPECIAL FUNDING PARAMETERS**

CBHC funding or resources shall not be used to replace funding for activities for which other local, state, or federal governmental agencies are obligated by statute, administrative rule, or local ordinance to support, except in the following instances:

- The Board will consider funding of health services (and other services of a preventive nature) provided that a determination is made by the CBHC Executive Director that these services cannot be funded through other agencies established to provide them. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not fund academic and recreational activities unless a determination is made that these services cannot be funded through other agencies. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not provide programmatic funding for real property acquisition or building construction.
- Agencies applying for funding or currently funded by the Children’s Board may not reduce or redirect funding from another source either in anticipation of, or as a consequence of, receiving funding from the Children’s Board without the prior

approval of the Board. However, the Children's Board encourages funded programs to develop other sources of funding from both public and private entities, including corporate support and individual contributions.

### 1.3 STAFF AFFILIATION WITH OTHER AGENCIES

No member of the Children's Board staff will serve as a Board member of any agency funded by the Children's Board. Staff may serve as non-voting consultants to such agencies for the purpose of providing technical assistance with the approval of the Executive Director of the Children's Board. CBHC staff already serving on governing bodies of agencies which make a proposal for funding to the Children's Board will take a leave of absence until a decision is made regarding the proposal. If funding is approved, the CBHC staff member concerned must resign membership on the governing authority. No CBHC staff member will accept any compensation from an organization funded by the Children's Board.

### 1.4 UNIVERSAL ACCESS TO CHILDREN'S BOARD FUNDED SERVICES AND RESOURCES

Services and resources funded by the Children's Board are available to all eligible families, as determined by the funded agency's admission criteria.

#### 2.4 ADDENDUM AND INCOMPLETE PROPOSALS

Proposers are responsible for complying with any addendum issued. FAILURE TO RESPOND TO ANY ITEM, INCLUDING ANY REQUESTED INFORMATION, OR FAILURE TO FOLLOW THIS PROCUREMENT DOCUMENT MAY RESULT IN THE SUBMISSION OF AN INCOMPLETE PROPOSAL AND MAY RESULT IN DISQUALIFICATION OF THE PROPOSAL FROM FURTHER CONSIDERATION.

#### 2.5 RIGHT TO SEEK AND CONSIDER CLARIFYING INFORMATION

The Children's Board may seek clarifying information regarding any Proposal. Such clarifying information shall be provided by the Proposer in writing.

The Proposer will, upon such selection, execute a standard CBHC contract for program Services. Execution of the contract will be contingent on availability of funds and Board approval.

#### 2.9 AWARD OF CONTRACT

The contract for Services will be awarded to the organization submitting a Proposal that is determined to be best aligned with the desired outcomes of the Children's Board. No contract shall exist between the Children's Board and the selected organization until the written

contract is signed by the Children’s Board and the selected organization. The Children’s Board reserves the right to negotiate the revision of the Scope of Services with the successful Proposer(s) as deemed necessary to meet the desired outcomes. The Children’s Board reserves the right to award different elements or components to different Proposers as determined to meet the intent of the RFP. Awards are not based solely on scores from the Community Review Team. The Children’s Board also considers its priority populations, available funds, and/or local data driven community needs for families and their young children.

#### **2.10 PROHIBITIONS ON PROPOSERS WHO ARE FORMER CBHC EMPLOYEES AND BOARD MEMBERS**
